## General Services For Andrew Poulson

Andrew Poulson was brought to Pleasant Grove from Salt Lake, Tuesday, for burial. He died in the Salt Lake County hospital from an attack of pneumonia. He had been working in the city for several months. He came to Pleasant Grove about one and a half years ago and purchased a small farm. He was about 25 years of age.

Bishop James H. Walker presided over the services. The speakers were Rev. J. R. Hindley of American Fork, Nels Fugal and Joseph Hilton.

**PROGRAM FOR SUNDAY NIGHT**  
The Second Ward Sunday School will have charge of the program Sunday night in the Tabernacle, when the following program will be given: Singing by Intermediate and Theological classes.

Reading—Miss Josephine Halliday Solo—Velma Larson, Talk—Prof. C. W. Whitaker, of American Fork. Cornet Solo—Prof. A. R. Overlade.

## Will Graduate in June

In a recent letter from Lyman Poulson, who is attending the Naval Academy at Annapolis, he states that he will graduate in June. He will then come home for a vacation and bring his roommate who has never been in the city.

A careful examination of the returns showed the official count to be the same as reported in our last issue, figures being correct in each case.

Among the other business transacted was an authorization voted to the

Mayor and City Recorder to arrange for an appeal from the District Court to the Supreme Court in the case of O. F. Herron vs. Pleasant Grove City. Mr. Herron was awarded several shares of water that he had been using for a number of years but for which he had never received any certificate or credit on the books.

## Timpanoogus May Be Second Pike's Peak

**People Should Unite in Building Trail and Advertising Our Advantages.**  
Recently a close friend of the man who built the cog wheel railroad to the top of Pike's Peak made a climb to the top of Mount Timpanoogus. Several times this summer the same man has made the ascent, each time being more enthused with the unparalleled scenery and the magnificent view. He declared to one of our citizens that Pike's Peak was not in the same class and gave as his judgement that a railroad built to the top of Mount Timpanoogus could be built as cheaply as the one to Pike's Peak and would draw more tourists than the famous Colorado cog wheel line. A hotel in Battle Creek Canyon would be the great attraction if made to take care of the tourists properly. His climbing the mountains several times this summer leads some to think that Mount Timpanoogus may be made Utah's greatest attraction for continental tourists.

Whether the gentleman's visit means much or little, it will serve as a means of waking the people of Pleasant Grove up to the possibilities lying at their door. Hundreds climbed the glacier mountain last year and if the trail started last fall is completed early next spring, the number will be increased a hundred fold. This paper does not know Mayor-elect Swenson's plans for making Pleasant Grove a bigger city, but if he will take the initiative next spring to complete the trail so that the tourist can ride to the upper ledges on horseback, and then have the city get back of some right good advertising, nothing else in his administration will do so much to place Pleasant Grove on the map and fill the people's pockets with money. Several summer hotels should do a good business here and possibly 50 or 100 horses could be employed as pack animals. Nothing lives a town up more than a good tourist business. The idea is a good one, and the cost to a people would be very small compared with the possible benefits.

## HOME ECONOMICS MEETING

The Home Economics Club will meet next Wednesday at 4 o'clock in the Tabernacle. A cordial invitation is extended to all to be present. The following program will be given: Thanksgiving Menus—Effie Warnick Solo—Mrs. Helen Walker. Christmas Suggestions—Mrs. W. L. Hayes.

Music—Mrs. S. A. Kirk. Christmas present demonstration. Each lady is requested to bring an article that would make a simple and attractive Xmas present and show to those present. In this way many helpful suggestions will be received.

## FARMER'S MEETING POSTPONED

The farmers meeting which was scheduled for last Saturday was postponed because of the rain. It will be held tonight in the City Hall at 8 o'clock p. m. when every farmer in this district is invited to be present and hear what the county farm demonstrator, Mr. A. B. Ballantyne has to say for their benefit.

## PLEASANT GROVE SCHOOL NOTES

The event which took place Monday, will be long cherished and remembered in every Seniors heart. It was a time of rejoicing yet sadness, because it meant the last time we could celebrate together the birthday of our beloved "Fairy God Mother."

An interesting program was carried out, but the most enjoyable part were the eats and Paul's recitation. The class then presented Miss Thurman with a cameo brooch, which but minutely expressed our devotion and gratitude for what she has been to us for the last three years.

The whole High School joins with the Seniors in wishing Miss Thurman many more happy birthdays. The Freshmen have had very good

luck during the week of the class series games. They beat the Seniors in the first game and they beat the Juniors in the second game by rights but the babies have to have their own way. They beat the Sophomores in the third game, even if all the other classes did yell for them. They beat the faculty without much work and expect to beat the Junior's in the deciding game.

Oh did you see the Seniors get the "Golden Goose"? Of course you didn't cause the Juniors got it.

Tuesday night the Junior's defeated the Seniors with the score 7 to 17. "How do you like it?" Vera seemed to have you noticed how the Junior girls bunch around since the Junior boys won the class series? They must have something in the wind.

Even the presence of the Mascot and "Sub" at the last game, could not prevent the overwhelming defeat which

came to the Faculty.

On Saturday evening the Faculty will entertain the Freshmen, who were the victors in the contest for more students.

Principal James H. Walker was a visitor in Salt Lake Thursday.

Mr. Elmer Miller addressed the American Fork student body Tuesday of last week.

## Store Service Talks

The majority of manufacturers make a first and second grade of merchandise. Between them there is a big difference in price and quality.

We do not sell you second grade merchandise at first grade price. We frequently handle both qualities, but the merchandise is on our shelves ready for your inspection, and if you wish the second grade you are asked only the price for that grade and know just what you are buying.

In making your selections from a mail-order catalogue you have not the opportunity of inspection, and no means of telling whether the merchandise is first or second grade in quality.

Why not let us show you honest merchandising methods?
